

Late Policy:

We understand that delays can occasionally happen. If you anticipate arriving late, please notify us as soon as possible.

If given enough notice, the tutor may be able to extend the session where possible, however if not the sessions will end at the scheduled finish time to avoid impacting subsequent appointments. If extenuating circumstances apply the time will be made up at a mutually convenient time.

If a student arrives more than 15 minutes late without prior notice, the full session fee will still apply.

If the tutor is running late, notice will be given and the session will be extended where possible or the missed time will be made up at a mutually convenient time.

We appreciate your punctuality and cooperation, as it helps us provide a consistent and high-quality learning experience for all students.

If you anticipate arriving late, please notify us as soon as possible.
